Homecoming festivities began with the student body selecting five senior girls as candidates. They were Verna Thurston, Kelly Thacker, Barb Carman, Trisha Walker, and Rosemary Dailey. Homecoming week began on Monday with Black and White Day, Tuesday with Costume Day, Wednesday was Grub Day, followed by T-shirt and Jersey Day on Thursday. Friday ended the week with a flare with Dress-up Day. The Bonfire on Thursday night brought the school spirit to an all time high. The rain didn't seem to dampen anyone's spirits. On Friday, October 1, the excitement began as the candidates were ushered in by Jon Zeman, Dave Tool, Rich McColley, Larry Lanus, and Steve Hutchinson. Duchess Jamie Nielsen and Duke Jacob Torkelson complimented the homecoming court. Bill Thurston gave a welcome speech to the awaiting audience and Curt Abens gave an excellent homecoming speech recapping the weeks activities. Moments later the crown was placed on Barb Carman's head, while many happy tears were shed.

Friday night ended the week with an even bigger flare when the football boys defeated Central Webster 67-6

After the football game a D.J. from the Runway in Fort Dodge provided music for the traditional homecoming dance
